

VOLUNTEER – TWITTER OPPORTUNITY

SERVICE AREA	Inspiring Grace - General
OVERVIEW	Inspiring Grace is a positive community action group which aims to revive some of the forgotten Sunnahs of the Prophet Muhammad (Peace be upon him). We work in 5 different project areas – Sports, Outreach, Feeding the Needy, Education and Health. Our online presence consists of a busy website with the social media currently being Facebook and the use of Youtube/Vimeo for Video content.
ROLE	We have an opportunity for a volunteer to 'bring to life' our twitter page. It is currently being vastly under-utilised. We recognise the great appeal and reach of twitter and are hoping to recruit someone who is passionate about twitter and increasing our profile on the site.
HOURS	The commitment will vary, but we hope you are able to provide a minimum of 3 hours a week.
